

# AUTO SCRUBBERS

i28BT, Self Propelled  
i28BTL, I-SYNERGY

## BENEFITS

- Intuitive, ergonomic controls for simple operation
- Oversize 26-gallon solution tank improves working efficiency
- Variable pad pressure for cleaning a variety of hard floor surfaces: 39, 79, and 119 pounds
- On-board charger, gimbal-mounted pad drivers, and parabolic squeegee assembly included
- Quickly change-out squeegees, pads, or brushes without tools
- Traction-drive forward and reverse for easy operation
- Filter assembly and auto-float shut-off protects vacuum motor
- Heavy-duty, die-cast aluminum brush deck
- Front red strobe light supports safety while cleaning

ICE automatic scrubbers and cord-electric equipment carry a **5 YEAR WARRANTY**

on all parts and labor with the exception of "wearables" such as brushes, pad drivers, batteries, hoses, belts, and switches.

Downtime is wasted time. Money spent on replacement parts takes away from your bottom line. At ICE, we understand that you use our machines as hard as possible to do your job, and we recognize that sometimes maintenance is a necessity. That's why our auto scrubbers and cord-electric equipment come with a **5 year warranty**. We have faith that we provide the best equipment possible, but if anything happens— we're here for you.

Easy access to internal components, plus quick-change squeegee blades, pads, and brushes

Gimbal-mounted pad drivers are easy to load/unload, plus they produce better scrubbing torque

Easy operation with intuitive, state-of-the-art control panel
